### Galapagos Online Cruise

Columbus Travel Ltd., a major online travel agency in Ecuador, has been operating Galapagos cruises since 1997. Headed by Norwegian management, and have been recommended as reliable tour operators by the South American Explorers Club in Quito, and by Exito Travel in the United States. With hundreds of satisfied customers.

"Galapago" is an old spanish word, meaning tortoise. The tortoise is the most important animal in Galapagos, yet there are no more than 200 in the 13 main islands.
