
Trial license keys and pricing

Posted by testman - 2010/04/24 16:18

Hello,

I've downloaded and installed BugHotel Reservation System NextGen and need the trial license keys and pricing for this and the optional modules. I've checked all me emails and it hasn't been sent yet.

Hi Admin, can you send me prices please?

and is there a reason you dont show prices on your site like normal internet traders?
